DTSC RESPONSE CONCERNING *SOUTH COAST AQMD V. CHIQUITA CANYON LLC - #6177-4*

Dear South Coast AQMD Hearing Board Members:

Last week, the Department of Toxic Substances Control (DTSC) received an inquiry from representatives of South Coast Air Quality Management District (South Coast AQMD) seeking information on DTSC's investigation into activities occurring at the Chiquita Canyon Landfill.

In response, DTSC is providing information regarding its regulation of Chiquita Canyon Landfill. Enclosed are five (5) documents issued by DTSC in February and March of this year concerning Chiquita Canyon landfill. These include two Summary of Violations to Chiquita Canyon, one Summary of Violation to Radford Alexander Corporation DBA Avalon (Avalon), an Unlawful Disposal Notification regarding Avalon, and a Proposition 65 Notification regarding Chiquita Canyon. DTSC believes the enclosed information provides a sufficient response to this request.

Sincerely,
