What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

56°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

54°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

51°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

56°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

52°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

59°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

59°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to

assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Cloudy

Temperature at time of Patrol

59°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

57°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

59°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

57°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified

immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

Odor Compliance with Stipulated Order for Abatement

1 flagged

**At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?**

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

Odor Compliance with Stipulated Order for Abatement

1 flagged

**At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?**

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

77°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

62°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

If the name of the person conducting the Patrol does not appear above, please enter it here:

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

61°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

65°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

70°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

63°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.
