<b>At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?</b>	Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

68°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

72°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

67°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

<b>At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?</b>	Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

83°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

65°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

**At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?**

---

 Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

64°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

67°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

71°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

68°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

73°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

71°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

66°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

71°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

**At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?**

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

73°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Partly Cloudy

Temperature at time of Patrol

66°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.

**At 3 or more stops have you recorded any Landfill Odor Intensity of 3 (3 - Moderate Odor) or higher?**

Yes

By selecting Yes to the above question, the landfill operating staff will automatically be notified immediately via email of this response. Upon receiving such notification, Chiquita shall review and modify as appropriate fan placement, and conduct a visual inspection of the Reaction Area to assess, and address as needed, any cracks in the surface of the area.

**Recorder Signature**

A handwritten signature in black ink, appearing to be 'L.H.' followed by a stylized flourish.

What type of patrol is this?

Regular Patrol

Weather Conditions at the time of patrol.

Sunny

Temperature at time of Patrol

68°F  
Should be between -50°F to 125°F

I acknowledge that I have not visited the working face or other on-site areas where exposed trash or landfill odors such as, but not limited to landfill gas odors, refuse or refuse contaminated material odors, or landfill liquids/landfill leachate odors exist within four hours prior to conducting this odor surveillance.

I acknowledge that I will assess each Patrol Stop while standing outside of the vehicle.
