Select ONE community:

- Wilmington / West Long Beach / Carson
- San Bernardino / Muscoy
- East Los Angeles / Boyle Heights / West Commerce

DUE DATE

10/12/2018

10/19/2018

10/26/2018

Community organization Organization name: Los Angeles Area Chamber of Commerce Organization address: Los Angeles Area Chamber of Commerce	Agency, school, university or hospital Entity name: Entity address:
Business representative Business name: Business address:	Representative from an elected official's office Name of representative: Name of elected official: Jurisdiction:
Active resident (not representing a community organization or a business) Resident name: Primary residence address (or nearest intersection):	

Why are you interested in becoming a member of the AB 617 steering committee in the selected community?

There are over 40 Los Angeles Area Chamber of Commerce members in the East Los Angeles/Boyle Heights/West Commerce region. The Chamber is interested in the steering committee because the resulting regulations will impact businesses in the area and we believe it is important for the local business community to have its insights and interests represented on the committee.

How would you support outreach to ensure all voices in the community are heard?

We will work with our over 40 number of member businesses that are located in the community to gather input from these employers and communicate their point of view to the steering committee. CARB recognized that local businesses play an important role in the community and should be incorporated into the steering committee.

Goals of the AB 617 Community Steering Committee

The purpose of the community steering committee is to support active community involvement and collaboration in the AB 617 implementation process by providing a forum for identifying air pollution issues in the community and potential solutions. Committee members will be responsible for discussing a variety of topics including but not limited to:

- Provide input to define community boundaries;
- Community concerns about emission sources to develop a shared understanding of the community's air pollution challenge;
- Proposed strategies for the community air monitoring and emissions reduction programs;
- Approaches for additional community outreach; and
- Metrics to track progress.

<p>Active resident (not representing a community organization or a business) Resident name: Primary residence address (or nearest intersection):</p>	

Why are you interested in becoming a member of the AB 617 steering committee in the selected community?

I am a resident of Boyle Heights (we live on Guirado St, at Euclid Ave. - 2 blocks North of Whittier Blvd.) and I care deeply about the needs and voices in my community. In addition to serving as the President of the Board of the Boyle Heights Chamber of Commerce, I am a 3rd Generation leader of my family's business that has been an active community participant in Boyle Heights since 1964. I am interested in becoming a member of this steering committee because I want every member of our community to live a joyful and healthy life with access to all that they need.

How would you support outreach to ensure all voices in the community are heard?

At the Chamber we place a big emphasis on community -- we understand that businesses can not thrive if the community is not thriving. Equity is and Environment are huge issues in Boyle Heights given that historically there have been bad actors in our neighborhood. Trust is something that must be built over time and not just as lip service. My intent is to participate with the desire of finding solutions that clean up the environment and brings other benefits to the community like greater access to clean transportation and jobs. This can only happen if all voices in the community are heard. I have personally worked with many community advocacy organizations on several projects and feel that my connections to and active participation with all kinds of people in the community would be an asset to the steering committee. Thank you for your consideration.

Goals of the AB 617 Community Steering Committee

The purpose of the community steering committee is to support active community involvement and collaboration in the AB 617 implementation process by providing a forum for identifying air pollution issues in the community and potential solutions. Community organization Organization name: Organization address:	Agency, school, university or hospital Entity name: Entity address:
Business representative Business name: BizFed Business address: 6055 E. Washington Blvd.	Representative from an elected official's office Name of representative: Name of elected official: Jurisdiction:
Active resident (not representing a community organization or a business) Resident name: Primary residence address (or nearest intersection):	

Why are you interested in becoming a member of the AB 617 steering committee in the selected community?

The Los Angeles County Business Federation (BizFed) represents employers who reside in the Boyle Heights, East LA, Commerce Areas and will be impacted by the AB 617 implementation process. In addition, the BizFed office is located in Commerce. Our members include small business, warehouses, trucking industries, manufacturing, oil and gas operators and others. We have thoroughly reviewed and provided valuable feedback to CARB with regards to the AB 617 Blueprint and believe we can be a valuable addition to the steering committee.

How would you support outreach to ensure all voices in the community are heard?

We believe all community voices should be heard - we absolutely support an open process. BizFed has an expansive email database, an excellent track record with the local media and connections in each of the areas. We can be an open voice in making sure that all members of the community are heard and aware of the progress being made by the AQMD and the local steering committee.

Goals of the AB 617 Community Steering Committee

The purpose of the community steering committee is to support active community involvement and collaboration in the AB 617 implementation process by providing a forum for identifying air pollution issues in the community and potential solutions. Community organization Organization name: SEIU 721 - 1545 Wilshire Organization address: SEIU 721 - 1545 Wilshire	Agency, school, university or hospital Entity name: Entity address:
Business representative Business name: Business address:	Representative from an elected official's office Name of representative: Name of elected official: Jurisdiction:
Active resident (not representing a community organization or a business) Resident name: Primary residence address (or nearest intersection):	

Why are you interested in becoming a member of the AB 617 steering committee in the selected community?

I am the chair for the SEIU 721 Environmental Justice Action Team and represent many members who live in the selected community. I am also a Public Health Nurse for the LA County Child Health and Disability Prevention (CHDP) Program and at this time I serve the communities of ELA, Commerce, Maywood, Montebello and others.

How would you support outreach to ensure all voices in the community are heard?

In order for voices to be heard, I would partner with existing organizations, attend local events and seek opportunities that provide platforms to listen to the community.

Goals of the AB 617 Community Steering Committee

The purpose of the community steering committee is to support active community involvement and collaboration in the AB 617 implementation process by providing a forum for identifying air pollution issues in the community and potential solutions.
