Dear Mr. Nastri:

Thank you for your participation in the Community Air Protection (CAP) Program and your continued commitment to protect California's citizens and air quality. The purpose of this letter is to inform you that California Air Resources Board (CARB) staff have approved the following community-identified project plan:

- AB 617 CLEAN TECHNOLOGY TRUCK LOANER PROGRAM PROJECT PLAN (2022-21CIP-SC)

This approval allows South Coast Air Quality Management District to implement this measure, as outlined in the Community Emissions Reductions Program for the Wilmington, Carson, West Long Beach; East Los Angeles, Boyle Heights, and West Commerce; San Bernardino and Muscoy; and Southeast Los Angeles communities. Enclosed is a copy of the approval notice that will be posted on CARB's website. Please also post the approval notice to your website, inform CARB staff of the link location, and include approved project plans in the air district's Policies and Procedures for CAP Guidelines.

If you have any questions or comments, please contact Radhika Majhail, Manager in the Incentives and Technology Advancement Branch, by email at Radhika.Majhail@arb.ca.gov or AB617incentives@arb.ca.gov.

Sincerely,

Sondra Wynne For Tess Sicat
