Transaction/subscription pricing				
Per transaction fees charged to the Host when an EV driver purchases electric fuel are described in the MSSA (see Q25).				
Subscription pricing is charged on an annual basis to the Host based on the Service Plan required (see attached brochure describing the Service Plan):				
Corporate ChargePoint Network Service Plan:	1-year pre-pay \$170			
(includes access control, but no billing)	2-year pre-pay \$300			
	5-year pre-pay \$670			
Commercial ChargePoint Network Service Plan:	1-year pre-pay \$230			
	2-year pre-pay \$410			
	5-year pre-pay \$910
